## Await Russia's Reply On Call For 'Big Four' Parley

### Britain-France Accept Call To Big Four Parley

Byrnes Call For Paris Meeting  
Of Big Four Foreign  
Ministers Awaits Soviet Reply

### THREE NATIONS ARE READY TO CONFER

WASHINGTON, April 6.—(INS)—Acceptance by Britain and France today of Secretary of State Byrnes' call for a Paris meeting of Big Four foreign ministers April 25 again placed Russia in a "lone hand" role.

Washington observers believed, however, that a reply from the Soviet Union would be received in the near future.

Byrnes' call for the meeting was issued in an attempt to hasten accord on the drafting of peace treaties for Axis satellite powers.

The secretary of state explained the progress made toward solution of the Italian question at the United Nations Security Council meeting in New York.

Proceed Peace Meeting

Byrnes had sent invitations to foreign secretaries Ernest Bevin, of Britain; Viacheslav Molotov, of the USSR; and Georges Bidault, of France, to meet with him in advance of the scheduled May 1 meeting of the peace conference.

Byrnes' aim is to draft peace treaties with Italy, Finland, Hungary, Romania and Bulgaria. An agreement to hold such a conference was reached at Moscow in December and the foreign ministers' deputies have been trying ever since to draft the documents in London.

Observers noted, however, that discussions might be carried on in Paris at the same time to settle other outstanding problems among the major powers which have impaired their international relations.

### PA NEWC OBSERVES

Twenty-nine years ago today the first world war started.

The poets say "if winter comes a spring be far behind" but city residents, having been given a balmy period, are wondering what winter is doing in a return engagement. Overcoats and mufflers were much in evidence around the town and some persons were overheard discussing anti-freeze for their cars, and deciding coal supplies in the basement.

Now in its full glory, the magnolia tree on the corner of Hillcrest and Highland avenues is again attracting sight-seers from all parts of town as it does every year. This North Hill landmark, one of the loveliest trees in the county, is floodlighted at night for the benefit of passers-by. The 45-year-old tree is the largest magnolia tree in Lawrence county.

Pansy plants brought through the winter by a mulch of straw are blooming in the garden of Mrs. Fred Sontum, of Miller avenue, and have been since the first week of March.

Apparently weather conditions of last night failed to bring any frost. However, it was noted that a lot of flowers were covered over as a precaution against the damage of possible frost.

An impressive installation service was conducted in the Westfield Presbyterian church, near Mt. Jackson, Friday evening, when Rev. John M. Fife, was officially installed as pastor of the church.

The service of installation was in charge of Rev. W. J. Engle, pastor of the Enon Valley Presbyterian church, acting for the moderator of the Shenandoah Presbytery.

Rev. E. Chester Crabb, pastor of the First Presbyterian church, Bessemer, read the Scripture lesson of the evening, after which Rev. Gaius Slosser, Ph. D., of the Western Theological Seminary, Pittsburgh, brought the sermon to the congregation, and pastor.

### Students Canvass Campus Houses For War Memorial Fund

Student Center Will Be Built As  
Memorial To 51 Westminister  
Men Killed In War

NEW WILMINGTON, April 6.—A house to house canvass of New Wilmington for contributions toward the \$100,000 goal for a Student Union War Memorial will be conducted by Westminister college students next week, beginning Monday.

Today the contributions of students and faculty total slightly over \$3,800. The student goal for June 1, Memorial Day on campus, is \$6,000. Ruth Stoehr, Pittsburgh, and Sevel Carlson, of Wilmington, are co-chairmen of the drive.

The idea of a student center as a permanent memorial to the 51 Westminister men killed in World War II originated last fall when the Holcad, student publication, and Student Council, governing body, polled the service men for the most suitable tribute. The returned veterans unanimously favored a social center.

Under present plans the student center would provide appropriate quarters for lectures and concerts. A new auditorium would allow for admission of local residents to Little Theatre productions, now impossible because of limited seating capacity. Other features of the building will be a snack bar, offices for student publications and organizations, recreation room, and a memorial lounge.

### Search For Girl's Slayer Extends Over Eight States

WAYNESBORO, Pa., April 6.—(INS)—An eight state alarm was out today for the slayer of 18-year-old Betty Jane Kennedy, of Hagerstown, Md., whose nude body was found on a lonely mountain road near the Maryland-Pennsylvania line south of Waynesboro.

The girl, who disappeared from her home April 1, had been garrotted with a wire or rope, according to Pennsylvania state police conducting an investigation.

Police were confident that the girl had been dumped from an automobile by the slayer but lacked any clues to his identity.

### House Committee Puts Limitations On O.P.A. Activities

WASHINGTON, April 6.—(INS)—The administration fight to extend the OPA law for another year shifts to the house rules committee next week, where right-of-way must be obtained for floor consideration planned April 15.

The house banking committee, by a vote of 15 to 4, approved the one-year extension beyond the present June 30 expiration date, after writing in a group of amendments "limiting" OPA's activities in many pricing fields.

Many Limitations  
The committee adopted one amendment which would have the effect of forcing OPA to raise ceiling prices on autos, refrigerators, radios and other durable consumer goods which were in scarce supply during the war.

The committee likewise approved an amendment instructing the OPA to cease its maximum average regulation for clothing after July 1.

After a bitter two-day wrangle the committee accepted a compromise proposal to reduce the government's subsidy program in meat area.

### Transit Strike Faces Cleveland

CLEVELAND, April 6.—(INS)—Possibility of a transportation strike still loomed over Cleveland today as AFL-Transport Workers' representatives prepared to resume negotiations with the transit board on union counter proposals.

The 2,000 union members at a closed meeting last night unanimously rejected a compromise agreement on over-time pay previously approved by their officers.

### Thousands Idle In Detroit Due To Plant Tieups

DETROIT, April 6.—(INS)—Labor disputes and parts shortages idled more than 32,000 workers today and crippled production at four major auto concerns in the Detroit area.

A strike of 113 intra-plant truck drivers at a Briggs manufacturing company plant sent 25,800 employees home. Twelve thousand were idled at the Briggs Mack avenue plant, 4,000 at Chrysler's Jefferson avenue plant and 2,500 on the Plymouth final assembly line.

Chrysler spokesmen said the prolonged seniority dispute will keep 6,000 Dodge workers and 1,300 additional Chrysler employees off the job on Monday.

The Briggs Corporation supplies bodies or sections of bodies to the Chrysler divisions.

Eight thousand workers are idle because of a shutdown at the Midland Steel products in Cleveland.

A steel shortage also curtailed production at the Ford Motor Company plants, where 18,500 were laid off.

### First Week Of Coal Strike Ends

Scant Progress Is Made In  
Attempts At Settlement  
Of Mine Tieup

WASHINGTON, April 6.—(INS)—Four hundred thousand striking miners rounded out their first week of idleness today with no progress yet in negotiations for a new mine wage contract which would permit reopening of the nation's coal pits.

Bituminous operators and United Mine Workers Union representatives resumed their bargaining sessions today at the insistence of Secretary of Labor Lewis B. Schwellenbach. The latter objected to a "cooling off" recess in the deadlocked parley.

Efforts to end the strike through appointment of a fact-finding board in the dispute met with failure.

Edward R. Burke, president of the Southern Coal Producers Association, disclosed that UMW President John L. Lewis "brushed aside with scorn" a suggestion that details of the new contract be left to a fact-finding committee.

### Hoover Leaves For Brussels

LONDON, April 6.—(INS)—Former President Herbert Hoover left London for Brussels by air today in continuation of his study of food shortages throughout Europe.

### Confessed Slayer's Effort At Suicide Is Not Successful

CHESTER, Pa., April 6.—(INS)—Frederick Morris, 24-year-old murder suspect who slashed his throat with a razor blade shortly after he confessed the slaying of Mrs. Rose Reynolds, was reported "out of danger" today at Chester hospital.

Police kept a 24-hour guard in the room to guard against further suicide attempts. Another veteran Z. Gant Tyler, 23, of Chester, took his life by gas as police sought him for questioning in the Reynolds murder.

### Tipstaff Denies Jury's Accusation

PITTSBURGH, April 6.—(INS)—Tipstaff John T. Henry today denied an accusation of "unlawful conduct and undue influence" on the jury which tried the damage suit against A&P Tea company and the AFL Teamster Union.

The accusations were contained in affidavits signed by seven jurors sent with a letter to President Judge Harry A. Rowand by Attorney Edward Spotts Jr., who asked a "full and complete investigation."

Henry will go before a board of common pleas court Monday for a hearing.

### TRUMAN ALSO FOR MILITARY TRAINING

CHICAGO, April 6.—(INS)—President Harry Truman declared today that he favored a ballot for 18-year-olds.

He made his statement at a lively teen age press conference where boy reporters and bomb box writers from Chicago's school papers threw many "curve ball" questions at him.

First Of Kind  
It was believed to be the first press conference of its kind ever held by a president of the United States, and was one of the features of Mr. Truman's Army Day visit to Chicago.

When one school age reporter stood up and asked the president whether he favored a vote for 18-year-olds, the president answered yes.

Mr. Truman then pointed out that 18-year-olds had been old enough to fight in World War I.

Between 100 and 150 school age reporters, about evenly divided between boys and girls, attended the news conference in the English room of Chicago's Hotel Blackstone.

In answer to a question from a boy writer in a ROTC uniform, the president told the teen years that he was in favor of universal military training.

### U. S. S. Missouri Reaches Turkey

Carries Body Of Late Turkish  
Ambassador To U. S.  
Back To Native Land

ISTANBUL, April 6.—(INS)—The body of Mehmet Munir Ertegun, late Turkish ambassador to Washington, rested in Turkish soil today after the U. S. super-battleship Missouri carried it from Washington in a gesture of international friendship.

Services for Ertegun were held aboard the Missouri and in the Ortakoy Mosque in Istanbul. Alexander Weddell, state department representative with the rank of ambassador extraordinary, Admiral H. Kent Hewitt, commander of the U. S. European fleet, Turkish President Ismet Inönü and other U. S. and Turkish dignitaries attended the services.

Died In November  
The body of the former ambassador, who died in Washington in Nov. 1945, was borne to Istanbul aboard the Missouri. Arrival in Turkish waters of the huge battleship, and its escort of a light cruiser and destroyer, was regarded in Istanbul as one of the most outstanding events in decades.

Admiral Weddell declared that the gesture of international courtesy was prompted by the United States desire to pay tribute to Turkey, a magnificent, friendly country.

### Change In Policy May Be Required By United States

WASHINGTON, April 6.—(INS)—The United States was confronted today with the possibility of revising its policy toward the Spanish government.

This resulted from Poland's announcement of its intention to raise the issue of recognition of Francisco Franco's regime before the Security Council of the United Nations.

No official word has been received at the State department or at the Polish embassy to indicate such instruction have actually been transmitted to Ambassador Oskar Lange.

On the basis of previously unannounced policy, the United States would have to vote its course considerably to support such a move less than a month ago, it rejected a French proposal that the United States, Britain and France jointly bring the matter before the Security Council.

### Parking Returns On New Meters Large

One hundred and four new parking meters in the uptown district show a deposit of \$1,164 for 30 days, according to Meter Coin Collector Arthur Harris, who stated that the amount, in comparison, is a large collection than from 104 meters in the same district before their replacement.

In the meters were found \$318 in pennies and the balance in nickels.

### Two Quake Shocks Are Recorded Today

NEW YORK, April 6.—(INS)—Two earthquake shocks were recorded today on the Fordham University seismograph. The first shock came two minutes and 25 seconds after midnight and the second eight minutes and seven seconds later.

Father Lynch said the quake was approximately 3900 miles from New York but could not estimate the direction.

### Poland Will Bring Franco Spain Issue Before U. N. Council

NEW YORK, April 6.—(INS)—The security council of the United Nations was suddenly confronted with the likelihood of another stormy controversy today when the government of Poland announced its intention to raise the issue of recognition of Franco Spain.

Taken by surprise, the early reaction of some of the delegates was the expressed belief that Soviet Russia immediately would file the complaint against Spain with Secretary General Trygve Lie.

The Polish delegate will propose that the United Nations as a whole break off relations with Madrid.

He is expected to suggest that all members follow Poland's action in (Continued on Page Two)

### Army Day Is Being Observed

Observance Today In Sharp  
Contest To Anniver-  
saries Of Past Few  
Years

WASHINGTON, April 6.—(INS)—Army Day parades on main streets from coast to coast today gave America an opportunity to pay tribute to its victorious veterans.

The first peace-time Army Day celebration since the defeat of the Axis powers was a heart-warming contrast to the war years when millions of youths were overseas.

April 6, 1942 American and Filipino defenders were fighting a losing battle on Bataan.

April 6, 1943 U. S. troops were slugging their way across North Africa and victory still was a dim hope.

April 6, 1944 they were slugging through the Italian mud and fighting for beachheads in New Guinea.

April 6, 1945 they were knifing through Germany and fighting to sweep Japanese from Okinawa. Victory was in sight.

Interest of the nation and the world was focused on Chicago, where President Truman was the guest of honor for Army Day.

### Red Cross Fund Still Increasing

Fridays Total Of County  
Campaign Fund Shows  
\$54,479

Completion of the reports of a number of divisions who gave only partial returns last week brought the county's Red Cross fund up to \$54,479.54 at the post-campaign report meeting in the local chapter house on Beaver street Friday afternoon. The county quota was \$52,900.

Chapter president, J. Glenn Berry presided in the absence of campaign chairman, Howard B. Cummings. Although several divisions—trucks, railroads, business, county, and governmental—are still incomplete, the reports are approximately as follows:

Division	Fund	Quota
Industries	\$20,234.85	\$18,000
Business	9,072.85	7,000
Railroads	875.00	1,500
Residence	1,382.26	2,000
Schools	1,057.43	1,500
County	8,258.16	2,000
Turkeys	173.00	800
Governmental	560	1,000
Special	1,000.00	1,000
Misc.	1,056.89	1,000
Elwood City	5,275.00	10,000

The local total, including New Castle and surrounding districts, is \$48,754.84, far past the \$42,800 quota.

### Two Injured As Truck Leaves Road

Two persons were injured late Friday afternoon, when a truck owned and driven by Alex Dudash, aged 39 years, of R. D. 4, went off the highway near his home, and crashed.

Mr. Dudash suffered brush burns and a laceration of the face and mid shock, while Mrs. Dudash has a severe laceration of the face and is suffering with shock. They were brought to the Jameson Memorial hospital at 5:15 o'clock for treatment. Mrs. Dudash was hospitalized.

### Clues Are Missing In Woman Slaying

CAMDEN, N. J., April 6.—(INS)—Police today admitted they were hindered by lack of clues in their investigation of the slaying of Mrs. Joseph Sadler, 37-year-old attractive wife of a Watertown township cafe owner.

Sadler, 38, discovered his wife's body lying on the floor of the place when he returned home from a business trip. Police said a bar rag had been wound tightly around the victim's face. An autopsy was performed in Cooper hospital, Camden.

### Youngster Hurt In Fall From Tractor

Donald Ray Robinson, seven-year-old son of Mr. and Mrs. W. Ray Robinson, of Albion street, is undergoing treatment at the New Castle hospital for injuries suffered Friday evening at 6:55 o'clock.

In some manner Donald fell from a tractor while riding, and bruised his back and chin. He was taken to the hospital immediately.

### President Truman To Head Chicago's Army Day Event

Afternoon Speech Will Be  
One Of Major Importance  
On U. S. Policies

### ARMY DAY PARADE PRECEDES ADDRESS

(BULLETIN)  
CHICAGO, April 6.—(INS)—President Truman was greeted by tens of thousands of Chicagoans today as he came to this metropolis to lead the nation in observance of Army Day.

The celebration will furnish the setting this afternoon for the president's speech, one of major importance on American foreign policy in the postwar world.

The president shared honors with general of the armies Dwight D. Eisenhower as the two leaders drove through jam-packed downtown streets from Union Station to the Blackstone Hotel.

Tons Of Fluttering Paper  
Tickettakers and tons of fluttering paper poured down on the presidential motorcade as it wound through downtown streets.

President Truman, wearing a dark gray topcoat against the chill wind blowing off Lake Michigan, and waving a new blue-gray felt hat, stood in the lead car.

With him were Mayor Kelly, of Chicago, Secretary of War Robert Patterson and Sen. Scott Lucas (D-Ill.).

General Eisenhower, wearing a tattered khaki field jacket, followed in the second open car with the president's personal chief of staff, Admiral William D. Leahy.

Tens of thousands of Chicagoans jammed the sidewalks and windows of the towering building, along La Salle street and Michigan Boulevard, on the few blocks drive to the Blackstone, waving back as the president waved to them.

The crowd cheered, but the tremendous spontaneity characteristic of campaign year crowds was lacking.

The drive to the hotel, however, was simply the early morning curtain-raiser, o the gigantic Army Day parade down Michigan Boulevard, which began at 11 a. m., and the president's foreign policy speech at Soldier Field at 3 p. m.

A few minutes after his arrival at the hotel, the president held a press conference for teen-age editors of high school publications.

Afterward, the president greeted (Continued on Page Two)

### Sudden Surge Of Sentiment Against Draft

WASHINGTON, April 6.—(INS)—Administration forces strove today to stem a sudden surge of sentiment within the house military affairs committee to halt virtually all inductions May 15.

Strong Bi-Partisan support was thrown behind an amendment by Rep. Harness (R-Ind.) to continue selective service for another nine months, until Feb. 15, but to limit the act to registrants only.

A final decision was postponed until Tuesday, when the senate military affairs committee will also vote on draft legislation.

### Detrouiters Look Toward Mayor To End Strike

DETROIT, April 6.—(INS)—Hitch-hiking Detroiters looked toward Mayor Edward J. Jeffries today for settlement of the paralyzing six-day transit workers' strike.

The city's 600,000 commuters, nerves-jangled, again relied on the "share-the-ride" program for transportation as negotiations in the bitter wage dispute ended in deadlock. The union firmly stood behind its original demand for an 18 cents hourly increase.

The striking AF of L union termed the city's offer of a 15 cent boost with modifications in the work week as "unsatisfactory."

### Arthur Mometer

Now comes the wily candidate with promises and guts; he wants to play the game just right, sometimes it gets some rough, and other times the fullsome grin, the hand-shake and the pat, are just what it takes, along with smokes, and he will tell you that he wants to serve the populace (at so much dough per pop); he talks and talks and wears you down, he never seems to stop. And when he's through he urges you to not forget the date; ah, me, they are a canny lot, the weather's forty-eight.

# PRESIDENT TRUMAN TO HEAD CHICAGO'S ARMY DAY EVENT

(Continued from Page One)

Local Democratic leaders in his suite and then, at 11 o'clock, went across Michigan Boulevard to a flag-draped stand to review the hour and a half parade of America's mechanized armed might.

A civic luncheon was scheduled for 1 p. m., with the address at Soldier Field to follow at 3 p. m. Rams overnight gave way to a bright, sunny morning as the presidential special pulled into Union Station at 9:15 a. m.

Today Mr. Truman will deliver what is expected to prove to be his most important pronouncement on America's role as a guarantor of continued world peace.

The setting for the president's highly important speech on American foreign policy in a post-war world will be the gigantic outdoor arena of Chicago's Soldier Field.

About 100 thousand persons are expected to gather for his first Chicago appearance since the Democratic national convention of 1944, when he was chosen as vice presidential nominee.

But his words will be carried out to the nation, and over the world, by the major radio networks, and by short-wave radio.

The presidential special left Washington at 4:25 p. m. yesterday, to journey through the night through the middle west to America's second largest city.

...milk, butter, flour and metals by 25 per cent.

The administration had sought to spend two billion, 51 million dollars in subsidy payments during the 1947 fiscal year, and, should the amendment prevail in the house, this sum will be reduced by 25 per cent.

As finally approved, the legislation contains instructions to President Truman to make a monthly canvass of remaining items under ceiling prices with a view to their removal as soon as domestic demands are being met.

The chief executive was also instructed to file with congress by April 1 next, any list of items he feels must be continued under price controls after June 30, 1947.

As written, the bill calls for the end of the OPA agency on that date, and the president is called upon to suggest some old-line government agency to administer any programs which must remain in force after that time.

laughs, but the youthful interrogators asked many ponderous questions. One of them wanted to know how boys and girls of America could help starving populations abroad. Mr. Truman replied: "Don't eat so much."

Growing more serious, Mr. Truman said he wanted to put that in the form of an appeal. He continued:

"The most terrible thing in the world now is that people are starving. We waste enough food in one meal to make entire day's rations for some peoples abroad. Please help save food. That is an appeal."

## Foreign News Man To Be Youth Speaker

George Blomgren, Chicago News-papman And Foreign Correspondent, On Program

Another outstanding program is in store for the youth of New Castle, this evening, when Youth for Christ presents George D. Blomgren, former foreign newspaper correspondent and Chicago newspaperman, at their regular weekly rally, conducted in the First Methodist church, Jefferson at North streets, at 8 o'clock.

Mr. Blomgren, who has traveled extensively over Europe and Asia for a Chicago newspaper, will tell of his experiences, relating how he used his newspaper work, during his travels, as a means of doing missionary work among those with whom he came in contact. Mr. Blomgren has spent some time in Russia, and will speak of the contacts that he was able to make there for the Gospel.

On the program with Mr. Blomgren will be Paul Black, converted Grand Opera singer, who is using his talents for the Gospel. He has a dynamic voice of unusual quality coupled with his rare personality.

Last week he sang before a packed house at Pittsburgh's Soldiers and Sailors Memorial hall, at the Youth for Christ there.

Also to be heard on the program will be the ladies ensemble, directed by Virginia Mooney, with Mrs. Rose Bender at the piano. Joseph Proctor will conduct the group singing, with staff pianist, Marie Zook, accompanying.

From Dayton, O., the New Castle Youth for Christ organization will bring to the city next Saturday evening the Miami Valley quartet, who will bring many special numbers to the rally.

## Final Stages For Pre-Easter Drive Of Sabbath Schools

Only three Sundays remain in the eight-week pre-Easter increase campaign that is being sponsored by the Lawrence County Sabbath School association, which has for its goals an increase in Evangelism, an increase in Sunday school attendance, an increase in church attendance and an increase in Bible study.

In the matter of an increase in Sunday school attendance, the 70 participating Sunday schools have done remarkably well. The total percentages at the present time are higher than they were at the close of last year's campaign. Weather that has been generally favorable has assisted. The church attendance has also been good.

The first goal, an increase in evangelism, will be pretty generally stressed from now until Easter, and the Bible study phase will be later emphasized with a leadership training school.

Awards will be presented to the winners in the various groups, as well as to the church attendance winner, at the annual county convention to be held in New Castle Thursday, June 13.

Dr. Grant E. Fisher, ON MINISTERS HOUR

Sunday afternoon at 3:30 o'clock Dr. Grant E. Fisher will conduct the regular weekly program of the New Castle Ministerial association, which is heard over WKST.

Dr. Fisher has chosen as his subject for the afternoon radio message, "The Home Missionary God Made Into a Foreign Missionary."

Nearly all people could be happier than they are, if they weren't more interested in nursing some little grudge.

**CURED AT THE CORE**

Occasionally the world is shocked and horrified over the fact that some prominent minister or holiness professor falls into the sin of adultery, or misappropriation of money. Was it possible that one apparently so conscientious could disappoint the people thus? It was hard to believe, but facts confirmed the suspicion. What could have been the cause? Answer: He was not cured at the core. He was not wholly sanctified at heart. He may have enjoyed blessed seasons of saving grace, but again, it is doubtful if he ever died to the bottom. The devil saw this and so let him prosper and climb to a high eminence, knowing that the higher the fall the more fearful the consequences. Men may profess all sort of grace, but unless they die out to the tap-root of carnality, sooner or later the treacherous thing is likely to revive and betray them. E. E. Sh-lamer.

We specialize in teaching holiness of heart and life.

# SERMON

THE UNITY OF THE CHURCH  
EPHESIANS 4:1-8.

(First verse) "I THEREFORE, THE PRISONER OF THE LORD beseech you that ye walk worthy of the VOCATION wherewith you are called".

The early Christians had been called to a glorious calling. (Second verse) "With all lowliness and meekness, with long suffering, forbearing one another in love."

Lowliness . . . "not trying to outdo the other fellow."

Meekness . . . "not vain."

Longsuffering . . . "not just FORTY DAYS, always."

In Love . . . "not buying your way, in LOVE."

(Third verse) "Endeavoring to keep the unity of the spirit in the bond of peace."

Unity of the spirit . . . UNITY OF THOSE HAVING THE SAME SPIRIT.

(Fourth verse) "There is ONE BODY, and ONE SPIRIT, even as ye are called in ONE HOPE of your calling;"

One Body . . . THE CHURCH, THE BODY OF CHRIST. Not a divided body. Proof, 1 Corinthians, 12:12. For as the BODY IS ONE and hath many members and all the members (Christians, not churches) of that ONE BODY (Church of Christ) being many, are ONE BODY (ONE CHURCH) so also is Christ. Also read, (Romans 12:5).

(Fifth verse) "One LORD, one FAITH, one BAPTISM."

ONE LORD . . . Christ is the only head of the church. To prove this point read, 1 Corinthians 1:13, "Is CHRIST DIVIDED? Was Paul crucified for you? or were you BAPTIZED IN THE NAME OF PAUL?"

ONE FAITH . . . not many faiths. ONE FAITH.

ONE BAPTISM . . . not baptisms. ONE BAPTISM.

Acts 2:41 Repent, and be baptized (once) every one of you in the name of JESUS CHRIST for the remission of sins (baptized for the remission of sins) and ye shall receive the gift of the Holy Ghost. . . . not pray for the HOLY GHOST, and be baptized any fashion, or any time. When is remission of sins promised before baptism, or after baptism? How long must one wait for baptism, forty days? How long did the apostle Paul wait for baptism? Acts 9:18, "and he (Paul) received sight forthwith, and arose and was baptized."

### Visual Aid Program At Christ Lutheran

New Method Of Teaching To Be Installed In Christ Lutheran Church Sunday School

Starting with the Sunday school session Sunday morning, Christ Lutheran church, corner East Washington and Beckford streets, will introduce visual aids in its educational program.

The pastor and teachers of the church are aware of the fact that visual education must be considered as aids to instruction and not a substitution for it, thus the installation of the new program. It is a part of a teaching method designed to help in the presentation of materials, knowledge, concepts and ideas, so that the truths of the Scripture may be more easily understood and appreciated.

Some of the art slides to be used were especially prepared by the Rev. H. Bienenberg of Oil City to integrate into the lesson series used in the church.

Tomorrow's lesson, "Christ Before Pilate," will be presented by the pastor of the church, Rev. M. H. Lobeck, with Sunday school superintendent, A. H. Hyde, operating the projector.

## Westinghouse Strike Parleys Are Continued

PITTSBURGH, April 6.—(INS)—Secret meetings between top Westinghouse Electric Corporation and union officials in Pittsburgh today indicated pay negotiations might be reopened to end the 81-day old strike, that has tied up \$800 million worth of potential business.

At the same time officials of the Association of Westinghouse salaried employees announced it had authorized the return of 6,500 "white collar" workers Monday in non-productive capacities.

President G. W. A. Price and Vice President L. E. Osborne of Westinghouse disclosed that they have been in conference for three days with James J. Matles, the union's ace negotiator.

## THE GREAT GAME OF POLITICS

(Continued From Page Four)

with the "international financiers" or voices their point of view seems ridiculous to his friends. It is typical of Mr. Morgenthau that he should magnify and exaggerate Mr. Douglas's New York financial connections and ignore the salient facts of his career.

FOR example, that he was a gallant soldier in the first World War; that afterward he was elected to Congress as a Democrat from Arizona, where he was born; that he was one of the most competent and popular members of the House; that Mr. Roosevelt drafted him for the job of director of the budget; that after his resignation he became president of the McGill University of Montreal; that for the four years of World War II he was deputy administrator of the United States Maritime Commission, where, with Admiral Land, he did an extremely vital war job in an outstanding way.

THE TRUTH is that Mr. Douglas has spent more of his life since he left Annapolis, where he was an instructor in mathematics, in the public service than in private life. And it is in the former that he made his enviable reputation for ability, character and public spirit.

It is absurd to call him a "Wall Street Man." So far from being censured for supporting Mr. Douglas, Mr. Truman should be congratulated. If he can induce him to accept this important post for which he has been proposed, the country should be congratulated. He would be an ideal choice. Mr. Morgenthau's dread apprehensions make one think of Father Coughlin and the late William Jennings Bryan.

OF COURSE the inherent Morgenthau fears in this case are somewhat stimulated by his conviction that it was wicked of any man at any time on anything to have differed with his late chief. Mr. Douglas did differ with the Roosevelt fiscal policies so strongly that he resigned as budget director and, along with many other good Democrats, supported Mr. Willkie in 1940, though voting again for Mr. Roosevelt in 1944. But in the Morgenthau eyes that would not have washed away the original sin. Nor would the thought ever occur to him that it would be impossible to find a really qualified man for this particular place who had agreed with Mr. Roosevelt on all things at all times.

turers' association, struck some hard blows before the House Banking committee hearings and Democratic managers admit that the path to OPA extension is rockier than before.

**Limitations Suggested**  
Republicans and southern Democrats, who have teamed up on housing other legislation, believe that they can drive through the House a bottled price control renewal measure that will contain these four limitations:

1. Termination of price control on Dec. 31, with authority granted the president to extend it for three additional months by executive order if necessary.
2. Machinery for abandonment of price ceilings on individual articles during the latter half of 1946 as soon as production of the articles reaches a particular point.
3. Gradual elimination of subsidies paid by the government to hold down food prices.
4. A provision that price ceilings shall be fixed high enough to permit cost of production plus a reasonable profit on each article.

## Give Testimony On Sugar Stamps

In a news item from Pittsburgh recently, in connection with the O. P. A. sugar investigation, it was mentioned that two New Castle men, John Moses and Alex. Beshero, were witnesses. The New Castle men report that they were summoned to the hearing because of some counterfeit sugar stamps that had been passed on them. The two men are owners of the A. and M. Market on Long avenue.

## Lehmann's Lieder Entrances Crowd

Lotte Lehmann, Metropolitan Soprano, Pleases Crowd Of 1600 As Season Closes

There are singers and singers and then there is the leader singer, Lotte Lehmann, who closed the Metropolitan Concert Guild season Friday night in the Cathedral. Lehmann's art is something beyond the usual concert singer, hers is the art of making great music sound simple and soothing. At times her tones were downright caressing.

Song, there may have been in the audience who might have wondered why there was none of "Der Rosenkavalier" or "Tannhauser" in her program. We must admit to a little of that yearning ourselves but certainly her "Ständchen" by Schubert or "On Wings of Song" or Brahms "Lullaby" were jewels of melody that will shine in memory for a long time.

**Generous Program**  
Madame Lehmann was generous with her songs. The program contained nineteen numbers with three encores added. A gracious person she has made a fine art of simplicity both in her personal relations

**SENTENCES PASSED**  
Friday was sentence day for several prisoners.  
Sophia Laskooka and Elizabeth Russo, on a plea to kidnapping, were fined \$50 each and costs and 10 to 20 months in the jail. The jail sentence is suspended if the fine and costs are paid and the women agree to stay away from the family of James L. Stone from whose home they kidnapped an adopted child.  
Orlando Pianoati, indecent exposure, fined \$1 and costs and four months to the county jail.  
Joseph Sharketti, burglary of the Moose club in Ellwood City, fined \$1 and costs and forced to make restitution of \$1325 stolen from the Moose. Also 1 1/2 to 3 years in the Western penitentiary.

**CASE SETTLED**  
Before the case was finally presented to the jury an agreement was reached between Charles L. Brown, administrator of the estate of Ethel M. Brown, versus Andrew Pfahles. The defendant agrees to pay \$4,300 for the death of Mrs. Brown in an accident on February 1, 1945.

**8000 TREES**  
Eight thousand more trees are being shipped from the state nurseries to the Lawrence County Conservators for planting on the old Lehigh Portland Cement company grounds. Many of the trees are walnuts.

**VISITOR FROM IDAHO**  
Attorney Ezra P. Whittle, vice chairman of the Republican National committee, was a visitor in the chambers of Judge W. Walter Braham on Friday. Mr. Whittle is a resident of Cour d'Alene, Idaho, and national committeeman for the Republican party of that state. He is a cousin of Mrs. Braham's.

Mr. Whittle is optimistic over the chances of the Republican party electing a majority in Congress this year and is just as optimistic over the next presidential election.

and in her singing. Anyone who can present a program of Schubert, Mendelssohn, Brahms, Strauss and half a dozen other composers and do it so effortlessly and so brilliantly must needs be an artist and Lehmann is. She was accompanied by Jani Ulanowsky who was adequate.

During the intermission the retiring president of Metropolitan Concert Guild, Attorney Alva M. Shumaker, presented the new president, Lewis J. Lewis. Mr. Lewis thanked the 1600 or more in the audience for their co-operation in the past year and asked for a continuance of that co-operation in the coming season.

The program for 1946-47 is another star glittered affair. Opening with Luboshutz and Nemenoff, pianists, the course includes Nathan Milstein, noted violinist, the Icelandic singers, and closes with the San Francisco Symphony. If that isn't a package of artistic quality then you can start out immediately.

The Metropolitan Concert Guild folks can be proud of their 1945-46 season. Outstanding talent was brought to New Castle at prices that sound like a movie. How they have done is their secret, what they have done has been a delight.

**FILE APPEAL TO KEEP CRAFTON MAN FROM CHAIN GANG**  
PITTSBURGH, April 6.—(INS)—An appeal to the state superior court was filed today in Pittsburgh to prevent the return of Leon Johnson of Crafton, to Georgia to serve a life sentence for murder.

Johnson, a fugitive from a Georgia chain gang, escaped with 175 other prisoners in June, 1943, came to Pittsburgh and obtained a job in a coke plant.

The fugitive told Judge Thomas M. Marshall that he did not receive a fair trial and told his fear for brutality if returned.

Judge Marshall remanded the prisoner to jail to await determination of the action.

**ARREST VETERAN ON 13-YEAR OLD BURGLARY CHARGE**  
PHILADELPHIA, April 6.—(INS)—Leonard White, 35-year-old overseas veteran, and father of five, was held without bail in Philadelphia today for Ohio authorities seeking him for escaping from a prison farm 13 years ago.

White, arrested at his home on 19th and Hilton streets, told Magistrate Clarence Freidel he had tried to "go straight." He said he came to Philadelphia after fleeing the London, O. prison farm where he was serving a term under a burglary charge.

## Herman Keiser Leads Tourney At Augusta, Ga.

Akron, Ohio Pro Has Hot Sticks With Rounds Of 69 And 68 First Two Days

### NELSON-HOGAN TRAILING BEHIND

By LAWTON CARVER  
NATIONAL GOLF CLUB, Augusta, Ga., April 6.—Herman Keiser, a tall, quiet, full-faced pro from Akron, O., today stood within two rounds of winning the Masters championship and giving the tournament the least-known golfer ever to wear this coveted crown.

The wartime Navy storekeeper on a ship that went everywhere but mostly where the fighting was, has set the past title-holders and other name golfers back on their heels. He has climbed right over them with some of the most spectacular golf ever produced by this classic event down in the Sweet Magnolia belt.

**Stars Trailing**  
You couldn't find the stars today for the dust left by Keiser, a virtual unknown, as he whizzed sizzling golfing canes to add a four under par 68 yesterday to his opening day 69 for a 36-hole total of 137.

Jimmy Thomson, who gets phenomenal distance off the tee, was in second place with 72-70-142, giving the tournament a touch of class from the old guard, but leaving his five-stroke deficit nothing to crow about.

Back in third place was Clayton Heffner, former Army sergeant from Charlotte, N. C., who held temporary leadership yesterday until Keiser took command for the second day in a row. Heffner reached the midway point with 74-69-143.

**Hogan-Nelson Faller**  
Then came Ben Hogan, co-favorite with defending champion Byron Nelson; Tony Penia, of Cincinnati; Chick Harper of Detroit; and Bob Hamilton of Chicago with 144.

Nelson, co-favorite with Hogan, was one stroke farther back with 145. Hogan got his 144 with a 74 and 70 and Nelson fired a 72 and 73—not too good, but sideline observers still insist that Hogan, at even par for two rounds, and Nelson, one over, will be the ones to beat in the stretch.

Master Donald asked the stewards of the Jockey club to reinstate him, but decision was withheld. Meade was instructed to appear before the stewards at their next meeting, which will be held in about three weeks.

## Vern Stephens Rejoins Browns

Star Shortstop Who Jumped To Mexican League Asks For Forgiveness

ST. LOUIS, April 6.—(INS)—Vern Stephens, ranking American League shortstop was back in the St. Louis Browns today, his days as a Mexican League player definitely over.

Bill DeWitt, Browns vice president, surprised American baseball fans with his announcement last night that last year's American League home run leader, had signed his St. Louis contract and joined the Browns of San Antonio, Tex. Chandler Approves.

Stephens was the best of the 17 American major leaguers, who jumped to the Mexican organization.

DeWitt said Stephens, accompanied by his father, Vernon, Sr., approached him "without solicitation and said he 'wanted to sign'."

The Browns official said the only formality was obtaining the approval of Baseball Commissioner Happy Chandler, which was done by telephone to Versailles, Ky.

## Fritzie Zivic Wins Over Manuel Villa

EL PASO, Tex., April 6.—(INS)—Fritzie Zivic, former world's welterweight champion, convinced El Paso fans today that he still can hold his own with any but star boxers in his division.

The veteran Pittsburgher won a draw last night in a ten-round bout with Manuel Villa, 150, of El Paso. Zivic scored the only knockdown when he dropped Villa at the end of the sixth round.

## Rex Brennan To Box Fair

Dapper Dan Tourney Champion To Take On Ohio Boy Here Monday Night

### BILL JAMESON TO MEET WALT WALWEN

Rex Brennan of Butler, trained by Rich Griener, the latter, at one time, one of the best lightweights in the country, will box Tony Fair of Youngstown, in the main three round bout Monday night in the Arena. Dick Mettler, ex-featherweight who battled Eddie Weyant, several years ago, is putting Fair in condition. Some time ago Fair boxed Chuck Letz in this city.

Brennan vs Fair was substituted for the Johnny Zilka vs Mike Di Ubaldo battle when the A.A.U., at Pittsburgh, ordered Zilka to box in Boston. There was nothing the Jefferson A.C. could do about it, hence the Brennan-Fair fight.

Brennan won the Pittsburgh Dapper Dan 147-pound championship, but lost out in the nationals for the title in Boston.

But an amateur is an amateur. There may be a difference of ability between some, but the fact remains that all fight conscious and fans may look forward to a lot of punches falling when they box here.

Brennan knocked out Bobby Mason in the second round here several weeks ago.

**Di Ubaldo In Semi-Final**  
Mike Di Ubaldo of Farrell has been rematched to take on George Bonaventura of Monaca. Al Wolcott handled Mike and Eddie Yarosz who appeared in a preliminary round ago at Tazari field will handle George. They are middleweights.

Chuck Gibbons of Ellwood City who knocked out Jess Stotts after scoring four knockdowns March 26, will battle Ray Previs who won over Ray Barringer, March 12. Previs is another fighter trained by Rich Griener.

Jimmy Maloney, like Gibbons, an Ellwood City native product, and a middleweight, will oppose rugged Larry Polce of Aliquippa, who has won two bouts here. Maloney, like Gibbons, is a favorite in this city.

There'll be plenty of gloves fly when two heavyweights, Walt Walwen of Butler and Bill Jameson, of New Castle, the latter just out of the army, meet in a three round bout. It will be Jameson's first home town bout.

**Other Bouts Monday**  
Kid Rickard, Monaca vs Jack Warky, Canonsburg, 120.  
Del Haight, Canonsburg vs Dick Harris, Youngstown, 135. Haight and Harris are said to be exceptionally good amateur lightweights.

Sammy Bondiana, Monaca, Freddie Conitt, Farrell, 126.  
Among the ex-professionals who will handle boxers are:  
Gibbons and Maloney, Blunk McCloskey, Ellwood City; Brennan, Previs and Walwen, Rich Griener; Fair, Dick Mettler, "Swede" Peterson will handle Dick Harris, and Scotty Foley will second Jack Warky, while Eddie Yarosz will sponsor off and advise the Monaca fighters. He is a brother of Ted Yarosz, former middleweight champion.

The Jefferson A.C. will open doors at the Arena at 7:30 p.m. and the first bout will start at 8:30 p.m. with the State Athletic commission and Amateur Athletic Union representatives supervising the promotion.

**Fair Or Foul**  
BY LAWTON CARVER  
International News Service Staff Writer  
NEW YORK, April 6.—Whether Rocky Graziano is the modern day Zerkow Ketchel is the burning question in our circle these days, but not the one I'm asking. What I want to know is what will happen when Graziano begins picking on guys his own size.

Our current middleweight rage knocked out Red Cochrane twice when the latter was fresh out of the army still biding the welterweight title, then he knocked out Marty Servo, Cochrane's successor, recently.

It was inevitable that some of us would say that here is another Ketchel.

**Ketchel Yardstick**  
Poor Ketchel. Since that farm-hand picked up a rifle in 1919 and shot him dead, he has been the yardstick by which all other fighters of about his size have been measured. A dozen middleweights and twice that many lightweights in other divisions have been compared with him. Ketchel must have been killed many times if he was half the man they say he was.

They tell you that Ketchel was the gamest, roughest, fiercest man, pound for pound, that ever came out of a corner, and now they say Graziano is just like him.

I'm not arguing the point, merely saying that perhaps he is catching guys so fresh out of the service that they are not in shape and, moreover, as a middleweight he gets a weight edge nearly every time he starts. He seems to be intent upon wiping out the welterweight division, although he will detain temporarily in July to box Tony Zale for the middleweight crown.

**Wait And See**  
Before we do any more hand-springs down Broadway we should first see what he does with Zale, then Jake LaMotta, a fair middleweight who can take it, and Ray Robinson, a lanky welter. Then let's see him against a few more good ones who have been active and not rusty from years in the services.

## Wimer Stars As Figo A.C. Wins Tournament Game

Figo All-Stars Defeat Jamestown, N. Y., Passers In Buhl Tourney, 68-32

Paced once again by their great star, Fred Wimer, former Rhode Island State star, the Figo A.C. of this city advanced in the basketball tourney at the Buhl club, Sharon, by trouncing a Jamestown, N. Y. high school team 62 to 32 last night.

Jamestown won their sectional championship this past season. When with 23 points on his two-game tourney total to 32 as he scored the locals to their victory, Fred Wimer led 15 Joe Daugherty of Ellwood had 11 and Chuck Finner had 10 for Figo. Wimer is the leading player in the tourney to date.

The Figo A.C. plays two more games today, at 4 o'clock meeting Wilkesburg and at 7 o'clock meeting the Stambaugh Merchants if they win the first game. The players are to meet at the "Y" at 2 o'clock. It was announced by Coach Carvela.

## Dykes Optimistic Over 1946 Season

White Sox Manager Describes Team As Having Chance In Coming Pennant Fight

By FRANK NEILL  
International News Service Staff Writer

PASADENA, Cal., April 6.—Jimmy Dykes, who describes his White Sox as "a great white hope in the 1946 American League pennant parade, must surely have a feeling he's looking."

Dykes spent the last couple of weeks of spring training in a Hollywood hospital and from his white-room command post issued a myriad of communiques, all to the effect that his South Side Chicago ball club "will make its presence felt this season."

The look in the Dykes logic is apparent to any casual observer. The White Sox will make its presence felt, all right—banging around down there in the minor circuit cellar.

**Good Defensive Team**  
The Chicago outfit will go O. K. defensively. Dykes has built up what appears to be a well-balanced pitching staff. He open-armed to the fold a few returning servicemen who will bolster the team's chances.

But even loyal Jimmy himself admits his big problem is batting. During the Sox California sojourn it became apparent that their lineup at the plate this season will be Luke Appling, the 37-year-old shortstop who recently traded his army insignia for a White Sox emblem again.

Then there is Hal Trosky, also back from the wars, who will get the call to cover first base.

**Don't Know Ketchel**  
As for Ketchel, I don't know a great deal about the gentleman, except that he is a good guy. I want to know if he is a good guy for your money any time he went to bat. He fought everything they threw at him from around 160 pounds on upward through heavyweights.

The old-time fight guys rave about him, that's all I know. And I wonder if perhaps the man and his deeds haven't been distorted beyond their real importance by the passing of the years. Things that happen when you and I were young.

Good, might have looked entirely different if he could see them all over again.

The old-timers like to dream back down the years and build special fakes for people who often didn't deserve them.

**BO**

NOW YOU UNDERSTAND WHY I MISS PATSY SO MUCH AND WANT HER BACK WELL... IT'S THE OLD DOG BACK TO MY ROOMING HOUSE.

**GOOD NIGHT, BOYS. MAYBE I'LL SEE YOU AGAIN I'LL COME TO THE PARK EVERY DAY, TO SEE IF PATSY SHOWS UP.**

**THE OLD MAN HAD TEARS IN HIS EYES, GEE, IF WE COULD FIND HIS DOG, BO, I'D... I'D... I'D SURE FEEL GOOD.**

## Chicago Promoter Seeking Graziano For Outdoor Show

Will Talk With Mike Jacobs About Graziano Fight In Comiskey Park

CHICAGO, April 6.—(INS)—There was just the slightest possibility today that Rocky Graziano, a stock reality in New York and something of a myth everywhere else, might break away from Mike Jacobs and land his wares throughout the land.

Specifically, there was the slight possibility that Graziano, who on Tuesday signed for a title bout with Middleweight Champ Tony Zale in Yankee stadium July 25, may meet Zale in a rematch later this summer—in Chicago.

**Graziano Hot**  
The wild-punching, dynamic Rocky, who was born in the shadow of the Brooklyn bridge and has never fought outside New York City, is currently the hottest thing boxing has seen in many a day. He is New York's favorite, and when he dropped Marty Servo three times in one boxing Friday night, scoring a technical knockout in the second round, boxing's third-largest indoor money-bowl in history went completely blank.

And because of this a little man named Irving Schoenwald, Chicago promoter and a firebrand warrier of Uncle Mike Jacobs, put away his daily paper Tuesday, stared steadily into the distance, and announced:

"I am going to New York. I am going to talk to Mike. Mike and I are friends. Perhaps we can arrange something."

Exactly what that something might be was not impossible to detect. Graziano fights Zale, and then there's a natural in Jake LaMotta vs. Rocky. And after that—well, what could be sweeter than a Rocky Graziano-Tony Zale rematch at Comiskey park, Chicago? And did you ever hear of a million dollar gate?

**Root Of Evil**  
That by the way is root of all evil. Money, that is. Schoenwald said that.

The reason Jacobs has such a strange hold on all the good fighters is that they make more in New York than anywhere else.

But just give us a couple of decent fights, and we'll be able to pay more attractive prices. Every time I think of that Zale-Graziano thing...

## Oshkosh Defeats Zollners 61-59

CHICAGO, April 6.—(INS)—The Oshkosh White All-Stars were one game out in front today following their squeaky 61 to 59 victory over the defending champion Fort Wayne Zollners in their best-of-three argument for the world's professional basketball championship.

The two powerful giants will battle again at Chicago Stadium tonight, and if Fort Wayne should win, they will play again Monday night to decide gamdom's ultimate supremacy.

## Scranton Gridders Join Steeler Chain

PITTSBURGH, April 6.—(INS)—The Scranton Miners today became a part of the Pittsburgh Steelers professional football club.

Jack Sutcliffe, vice-president and coach of the Steelers, named Ben Wolfson, formerly of Lafayette, head coach of the Miners. The team will begin training in Hetsen, August 5. Sutcliffe said a former Pitt player will be named assistant coach of the American Football League.

## Unknowing GI's Were Living Over Huge Liquor Cache

Aintree Race Track In England Concealed Big Store Of Scotch And Wines

AINTREE, Eng., April 6.—(INS)—After six bleak wartime years, the Grand National Steeplechase returns to this quiet Lancashire village on Friday with two shining attractions expected to draw a record crowd of a half-million persons.

First in the public interest are the fortunes of an Irish import, Prince Robert, a long-ruled three-ounce favorite in the field of approximately 49 starters.

Second in the public interest are large quantities of a high-priced Scotch import—Pre-War Whisky—the existence of which was revealed to have been concealed on the spot where unsuspecting GI's camped for long, dry years.

Mrs. Dorothy Mirabelle Topham, co-owner of the racetrack and the person responsible for revival of the race, smiled when she revealed the existence of the whiskey. She said:

**GI's Didn't Know**  
"I hate to tell them now, but the American Army ordinance boy, parked on this course from 1942 until last month discovered everything about Aintree—except that we had gallons of unrationed Scotch whiskey, wine and champagne stored in underground cellars underneath the stands."

"We had to keep it secret with war-time rationing still in effect. We cashed it in the canteen would not be caught dry when the course reopened."

Although the GI's have gone, they left a legacy which is causing frantic spring-cleaning.

When the GI's were barracked in the stables, they installed a central heating system which is too hot for the temperamental equine performers. Now attendants are busy de-heating the stables and unroosting a victory garden in the center of the court, draining the whole 200 acres and constructing emergency stands of barges lining the Liverpool Canal.

Hundreds of persons will crowd the bleats and thousands more will sleep outside the course Thursday night to get a coveted hand-hold on the rail as early as possible.

It will be unexpected if royalty attends the first National since 1940.

The Equine Marathoners—with Lamorne Edwards, Pool Flame and Red Rover in the high-betting—will cover the two-and-one-quarter mile course twice.

## Moose Team To Workout Sunday

Weather permitting the Moose Club football team city league champs will meet at Marshall field at 2 o'clock for a workout, the first of the season, it was announced by Manager "Pete" Redenbaugh today.

All players who are under contract and any other desiring to try for a position on the team are asked to attend. The Moose were champions in Ellwood City last year, the county league for championship honors.

## Special Meeting Of Ryantown Club

There will be a special meeting of the Ryantown baseball team Sunday at 2 o'clock at the field, it was announced by Manager Robert Smith today. All players under contract are asked to report.

Ryantown has some definite plans for a first class ball field this year. Work is already under way. The field is taking shape nicely. Smith stated.

**SOUTH SIDE SERVICE**  
1302 Moravia St. Phone 9014

WHENEVER there is a large gathering as that held by the Lawrence County Sportsman's Association it is only natural that the lesser doings be kept in reserve for a follow up, hence today we're naming persons who received door gifts at the Cathedral, Thursday night. They follow: Le Roy S. Ross, J. Ed. White, Charles H. Schwelnsberg, George Schlumberger, M. J. Hoagland, Hubert B. Sadler, Wayne M. Snyder, Carl A. Anderson, Converse Bransome, Leon A. Drumm, Clifton White, W. M. Roberts, Robert W. Lamoree, Homer Biddle, Earl Jordan, Mrs. Mary Cox, Mrs. Clarence L. Bowden, Evelyn M. Carlisle, Mrs. Alex Gardner, D. N. Reno, Harrison Kenney, E. M. Swartzlander, Thomas Knapp, W. H. Burdett, E. O. Pease, F. S. Sowersby, Mrs. O. E. Rose, M. Ruth Thompson, Mrs. E. L. McKelrick, Grace Cook, Mrs. W. G. Strouse, R. G. McCarter, George Crable, Mrs. Jean Greer, D. W. Morrow, Mrs. Andrew Ross, Mrs. Earl Emery, Margaret McKnight and Ed. Fritz of Here & There.

Did you ever know that Charlie French, the state commissioner of fish, formerly was a tutor of the violin? Here & There discussed it with him after he arrived in the Cathedral. Among those who circulated was Lou McChur, one of the most popular of men who have held public office. . . . Charlie Mayne of Gold Rush days, was among those present, likewise Andy Dodds who did so much for the men stationed at Deshona hospital annex during war days. . . . Address of J. Allen Barrett, Pennsylvania Angler, was splendid. He spoke a mouthful when he said that when a father took a son fishing it created a better companionship. It is hoped the message did not fall upon deaf ears. . . . John P. Haven, the honorable mayor, who gives a lending hand to every wholesome athletic venture, whether indoors or outdoors, also was among those at the banquet. . . . W. M. Roberts, who won a five gallon can of oil, can use it to oil his car enroute to his first meeting of the state board of fisheries at Harrisburg, Monday.

Just so you will know who are the officers of the Sportsman's Association, read as follows: President, Robert W. Lamoree; vice president, James E. Bell; secretary, D. H. Porter; financial secretary, Hans N. Driol; treasurer, Adolph Jones; directors, Sheriff Frank L. Coen, Rev. D. L. Ferguson, Andrew M. Dodds, Louis McChur, W. L. Diamond, and trustees, Kenneth A. Cotton, W. Henry Rodgers, and George F. Bollinger. On the committee for the banquet who are not officers were: Dr. William L. Horner, Earl Jordan, Arthur W. Graham, Ben Crosser, Harry Helmick and Clinton D. White. The reception committee, excepting the names of officers were: Andy Dodds, Earl Leslie, Dinty Moore, Gus Sanfilippo, Herb Samuels, Jack Diamond, W. M. Roberts, William Oversturf, Jack Gerson, Carl Rohrer, Cy Ingham and Nick Casillo.

Rev. D. L. Ferguson explained the objects of the Lawrence County Sportsman's Association in a very able manner and in speaking of the proposed club house, said it would not be a pavilion for the few but a club house for all and that it would have quarters for caretakers, trustees, Kenneth A. Cotton, W. Henry Rodgers, and George F. Bollinger. The majority of the fishermen and hunters who enjoy their hobby in Lawrence County, to join the LCSA there would be no difficulty whatsoever in putting over the \$10,000 or \$12,000 building program. Hon. J. G. John G. Lamoree was never better as a toastmaster (and incidentally referring to him as a jurist on the bench, he is equally as severe as a toastmaster when someone is convicted of some serious violation of law. . . . The association has possibly 1,200 members. With this number as a nucleus the LCSA should be able to overcome almost any problem that arises before it. Without organization and one well operated, no body of men can accomplish anything. . . . Do not fish in trout streams for suckers after 5 a. m. April 15.

Frankie Moran, local middleweight, is now a professional. He lost a decision in a hard-fought bout in New Britain several nights ago. . . . Russell Baxter, local middleweight, may get a chance to shoot jabs in a Youngstown ring soon. . . . Report of the baseball committee's meeting with Mayor J. F. Haven Joe Alexander, D. O. Davies, Al Hopland, Jim Gibson and the recreation board, bore out the assertion of Here & There, off expressed, that the city fathers, are always willing to cooperate for the betterment of local, wholesome sports. . . . Don't misjudge men by what someone else tells you. Communicate with the person or persons yourself and differences that may exist always disappear like spring zephyrs. . . . Lawrence Beagle club will have charge of the Friday events at the Trumbull-Mahoning show. Jack McGurk is now trying to find a stream on the Shenango Beagle training area so he can use the boat he was awarded.

## "That Ain't Rheumatics" Said Mister McGiverly

Horatius Q. McGiverly, (of the Spring Hill McGiverly's) is not a classicist in the use of the language. But Mr. McGiverly knows a thing or two and when his neighbor complained that his car must have rheumatics, Mr. McGiverly replied, "that ain't rheumatics, son, that's an old fashioned squeak in your car".

As usual Mr. McGiverly was right not only in his diagnosis but in his treatment. He recommended our garage for proper treatment and today the neighbor's car is purring like a cat with a piece of liver.

Perhaps you don't know Mr. McGiverly but we'd like you to know us. Bring your car over and let's get acquainted.

## Mayor Will Seek Revamping Civil Service Program

Wants Instruction Given To Police  
Candidates Before Civil  
Service Exams

Mayor John F. Haven has announced his intention of requesting the Civil Service Commission for police to revamp the present system in an effort to secure the best possible police force. He believes candidates for a police position should be schooled first then given an examination. As the system now exists, the candidate is examined first and schooled after he becomes a policeman.

Under the present system a man applies for a civil service commission for police application blank. He fills out the form, presents it to the commission, then receives notice to report for and does, undergo a mental test, providing he has passed the physical examination. He does not actually learn anything about policing until after he is a policeman.

His Honor will ask the commission, he stated today, that if possible, one or two nights a week be designated for the "schooling" of candidates for police jobs. The meetings would be held in council chambers, city hall, during which the candidates would listen to lectures as to the duties of a policeman.

The mayor believes that it would be possible to have jurists, the district attorney, lawyers and police officials address the candidates and point out to them the rights a policeman enjoys to protect the peace and good order of the city and at the same time set forth things they should not do.

The mayor will also request the commission to have each person who presents an application accompany it with his photograph and other information which it may be deemed necessary to possess. It is also probable that the height weight of the candidates and other information concerning the candidates' physical being.

There is nothing that enhances the reputation of a city as to have a fine police force.

It had to be, but in destroying Germany we built up a greater menace, and only wise and courageous leaders can save us from a greater disaster.

## L. C. Mantz Candidate For General Assembly

Fourth Ward Alderman Announces  
Candidates For Republican Nomination For Legislature

L. CLAUDE MANTZ

TO THE REPUBLICAN VOTERS  
OF THE CITY OF NEW CASTLE

In announcing my candidacy for the Republican nomination as Representative from the First District of Lawrence County to the Pennsylvania General Assembly, I desire to announce my purpose in seeking the office and what a candidate who seeks to represent the citizenship of New Castle should aim to accomplish as such representative.

I will to the best of my ability faithfully represent all persons of the District regardless of their political affiliations, regardless of creed, color, or occupation as I am well aware that the community included in said district is made up of the various professions, such as teaching, medical, law, the ministry, and those representing the industries, such as labor, capital, the trades, and all other occupations from which citizens and their families derive their livelihood.

The motoring public whether it be for pleasure or for business, the sportsmen, fishermen, hunters, and other persons enjoying recreational facilities must be protected and must have a secure deal.

A representative should be possessed of good common sense and have thorough experience or education and knowledge of his community and the needs thereof to such a degree as will enable him to give intelligent attention to the things he honestly believes should be done in serving the community and his service should be done without fear or favor.

As to my qualifications for the office, I refer you to my service record as an Alderman in the City of New Castle for many years.

I respectfully solicit your vote and support at the Republican Primaries May 21, 1946.

L. CLAUDE MANTZ,  
1116 E. Washington Street,  
New Castle, Penna.

## Gibson Seeking To Keep Streets Of City Clean

There is nothing more conducive to the good health of any city than clean streets which is one reason why Director of Local Highways James Gibson keeps the city streets sweeper in operation as much as possible in addition to brooms propelled by street department employees.

The street sweeper operates twice a week, at night, in the uptown business district and upon other days and nights the sweeper operates in other sections.

Director Gibson is strongly opposed to anyone sweeping rubbish from a house or business place upon the sidewalk or into a cartway. This is a violation of a city ordinance and Mr. Gibson has always insisted upon its enforcement.

Another thing that he has gone far to correct is the dumping of water which became dirty after it was used as "scrub water." Time and again water used for "scrub" purposes has been emptied along gutters to stagnate. In such instances when cognizant of it, Mr. Gibson has acted.

According to Superintendent of Health Dr. W. A. Womer, the city of New Castle has good health, in fact, very good health. The sanitary department and the streets department have played a big role in bringing this about.

## Jobs Are Sought For County G.I.'s

Mass Public Meeting To Start Drive  
For Job-Openings Being  
Planned

Plans for a drive to have Lawrence county employers list job openings which could be filled by ex-servicemen and other job seekers was announced today by George R. Gettings, local manager of the U. S. Employment Service.

A mass meeting of employers of the county, scheduled for Monday, April 8, has been postponed because of the death of Dr. C. C. Green, head of the Veterans' Advisory Council and chairman of the meeting. The date of the mass meeting will be announced later.

So far this year approximately 19 returned veterans have been placed in jobs by the Lawrence county office, leaving on file the applications of about 3300 veterans who have not found acceptable jobs. Mr. Gettings said. The total number of job seekers listed in local USES files is 5212.

"Most veterans returning to civilian life have good qualifications for a wide variety of jobs," the USES manager pointed out. The USES needs lists of a wide range of jobs in a variety of occupations, so that job applicant can be referred to specific employers for the kinds of jobs they are qualified to perform.

"The employer who places orders for workers with the local USES has a big advantage today—the widest choice of available workers, both veterans and others."

## EGGS CAN BE FROZEN EASILY FOR FUTURE USE

Freezing is a good way to preserve fresh eggs while they are plentiful. Families who have their own supply of eggs and their own freezer locker will find freezing is economical.

When freezing eggs it is necessary to use either salt, sugar, honey or corn syrup to prevent the coagulation of the yolk solids while in storage. Yolks have a tendency to acquire a rubber-like consistency during the time they are stored. One of these ingredients is stirred—not beaten—into the eggs which means they are slightly broken. For six egg yolks, use one tablespoon of sugar, honey or corn syrup, or a half tablespoon of salt. Use salt in yolks that will be scrambled or for other cooking purposes and use sweetening in yolks that will be used in baking. Label each package as to the ingredient used.

Whites and yolks may be frozen separately. Just package in amounts needed and label according to how much each carton contains and how eggs might be used.

To freeze whole eggs, stir them with a fork just enough to break the yolks and mix them well with the white. Put into cartons of the size to contain enough eggs for the purpose intended.

Given. Freeze eggs quickly in the ice cube tray of the refrigerator. Then remove and wrap each egg separately in moisture-vapor-proof paper, and put at once into the freezer cabinet.

Frozen eggs may be scrambled and used in cooking and baking. Frozen egg whites may be used for angel food cake as well as fresh egg whites. One and a half tablespoons of egg whites are equivalent to the white of one egg and one tablespoon of yolk is equal to the yolk of one egg.
